

DONOR SPOTLIGHT

OUR DONORS enhance lives. All of our participants face a great need for our services, and many especially value the cost-effectiveness of our program. This is made possible largely because of our donors. Your consistent support provides disabled and elderly Oklahomans with services they may not be able to find or afford elsewhere.

We want to recognize the Cresap family of the Cresap Family Foundation and Southwest Professional Vehicles for their generous donations of \$25,000 each. These donations provided us with two new limousines for our Elderly and Disabled Community Transportation program where we are able to provide over 23,000 rides for our participants and seniors of the community. Thank you so much for your support!

EVERY DOLLAR COUNTS - YOU CAN HELP!

Your donation will provide scholarships to supplement the cost of adult day health care, lunch or transportation to low-income seniors who can't afford it. If you'd rather donate a gift, we are always in need of the items listed below. Please keep our participants in mind the next time you go shopping.
